LUKAS TOBLER

THE COACH FOR FEMALE LEADERS

Lukas
TOBLER

WHO IS LUKAS TOBLER?

Lukas Tobler is a former Swiss elite athlete, keynote speaker, author and coach. Through his work, he enables his clients—particularly female leaders and elite athletes—to gain deep trust in themselves, handle challenges with composure, and be persuasive without compromising themselves.

It marks the beginning of their exciting journey towards a conscious, free, and happy life. To date, he has helped over 10,000 people worldwide achieve expanded awareness and thereby more success and fulfillment in life.

Lukas' vision is for all female leaders to find their place by gaining deep trust in themselves, developing the ability to handle challenges and stressful emotions with composure, and no longer fighting for their reputation but appearing convincingly without compromising, while maintaining their personal values.
